

The Pterosaur Database

Lonchodectes microdon

Jaw fragment from the Cambridge Greensand, England. (Seeley 1870). The tooth sockets are evenly spaced and very small compared to other Ornithosaurs.

Seeley H. G., **1870**, The Ornithosauria: an elementary study of the bones of pterodactyls, Proceedings of the Cambridge Philosophical Society, 2(1870) p.186

Pseudonym

Ornithocheirus microdon
